

# SICK TRAY POLICY PROGRAM

## Program Description

- Students who are too ill or medically unable to eat a meal in the dining commons can have a friend or roommates pick up a meal and bring it back to the residence hall. They may take one meal per meal period.
- The person picking up the meals must present a Sick Tray Request form signed by the sick resident and a member of the Residential Life staff.
- This form is valid for 1 day, if additional days are required you must submit a new form each day.
- The dining staff will prepare the sick tray and have it available at the cashier stand for pick up.

---

## I am too ill to come to the dining hall for a meal:

\_\_\_\_\_  
Name of Sick Resident
